IN TURKEY

OUR VISION

To **serve all parties** that are involved in **trading**, which would consequently improve the economic development of the regions we are involved in

MISSION

VISION

VALUES

OUR MISSION

Is to provide our clients with...

Unlimited **bargain power** with our regional network of intermediaries

Everything they need to take advantage of our experiences in the region, and troves of **local knowledge** that comes in handy when they need a **reliable associate**

An **unrestricted access to our connections**, who are some of the major role players of their regional economies

OUR VALUES

RELIABILITY - PRACTICALITY
KNOWLEDGE - DYNAMISM

Our core values define us as individuals
and as a corporation

WHO WE ARE

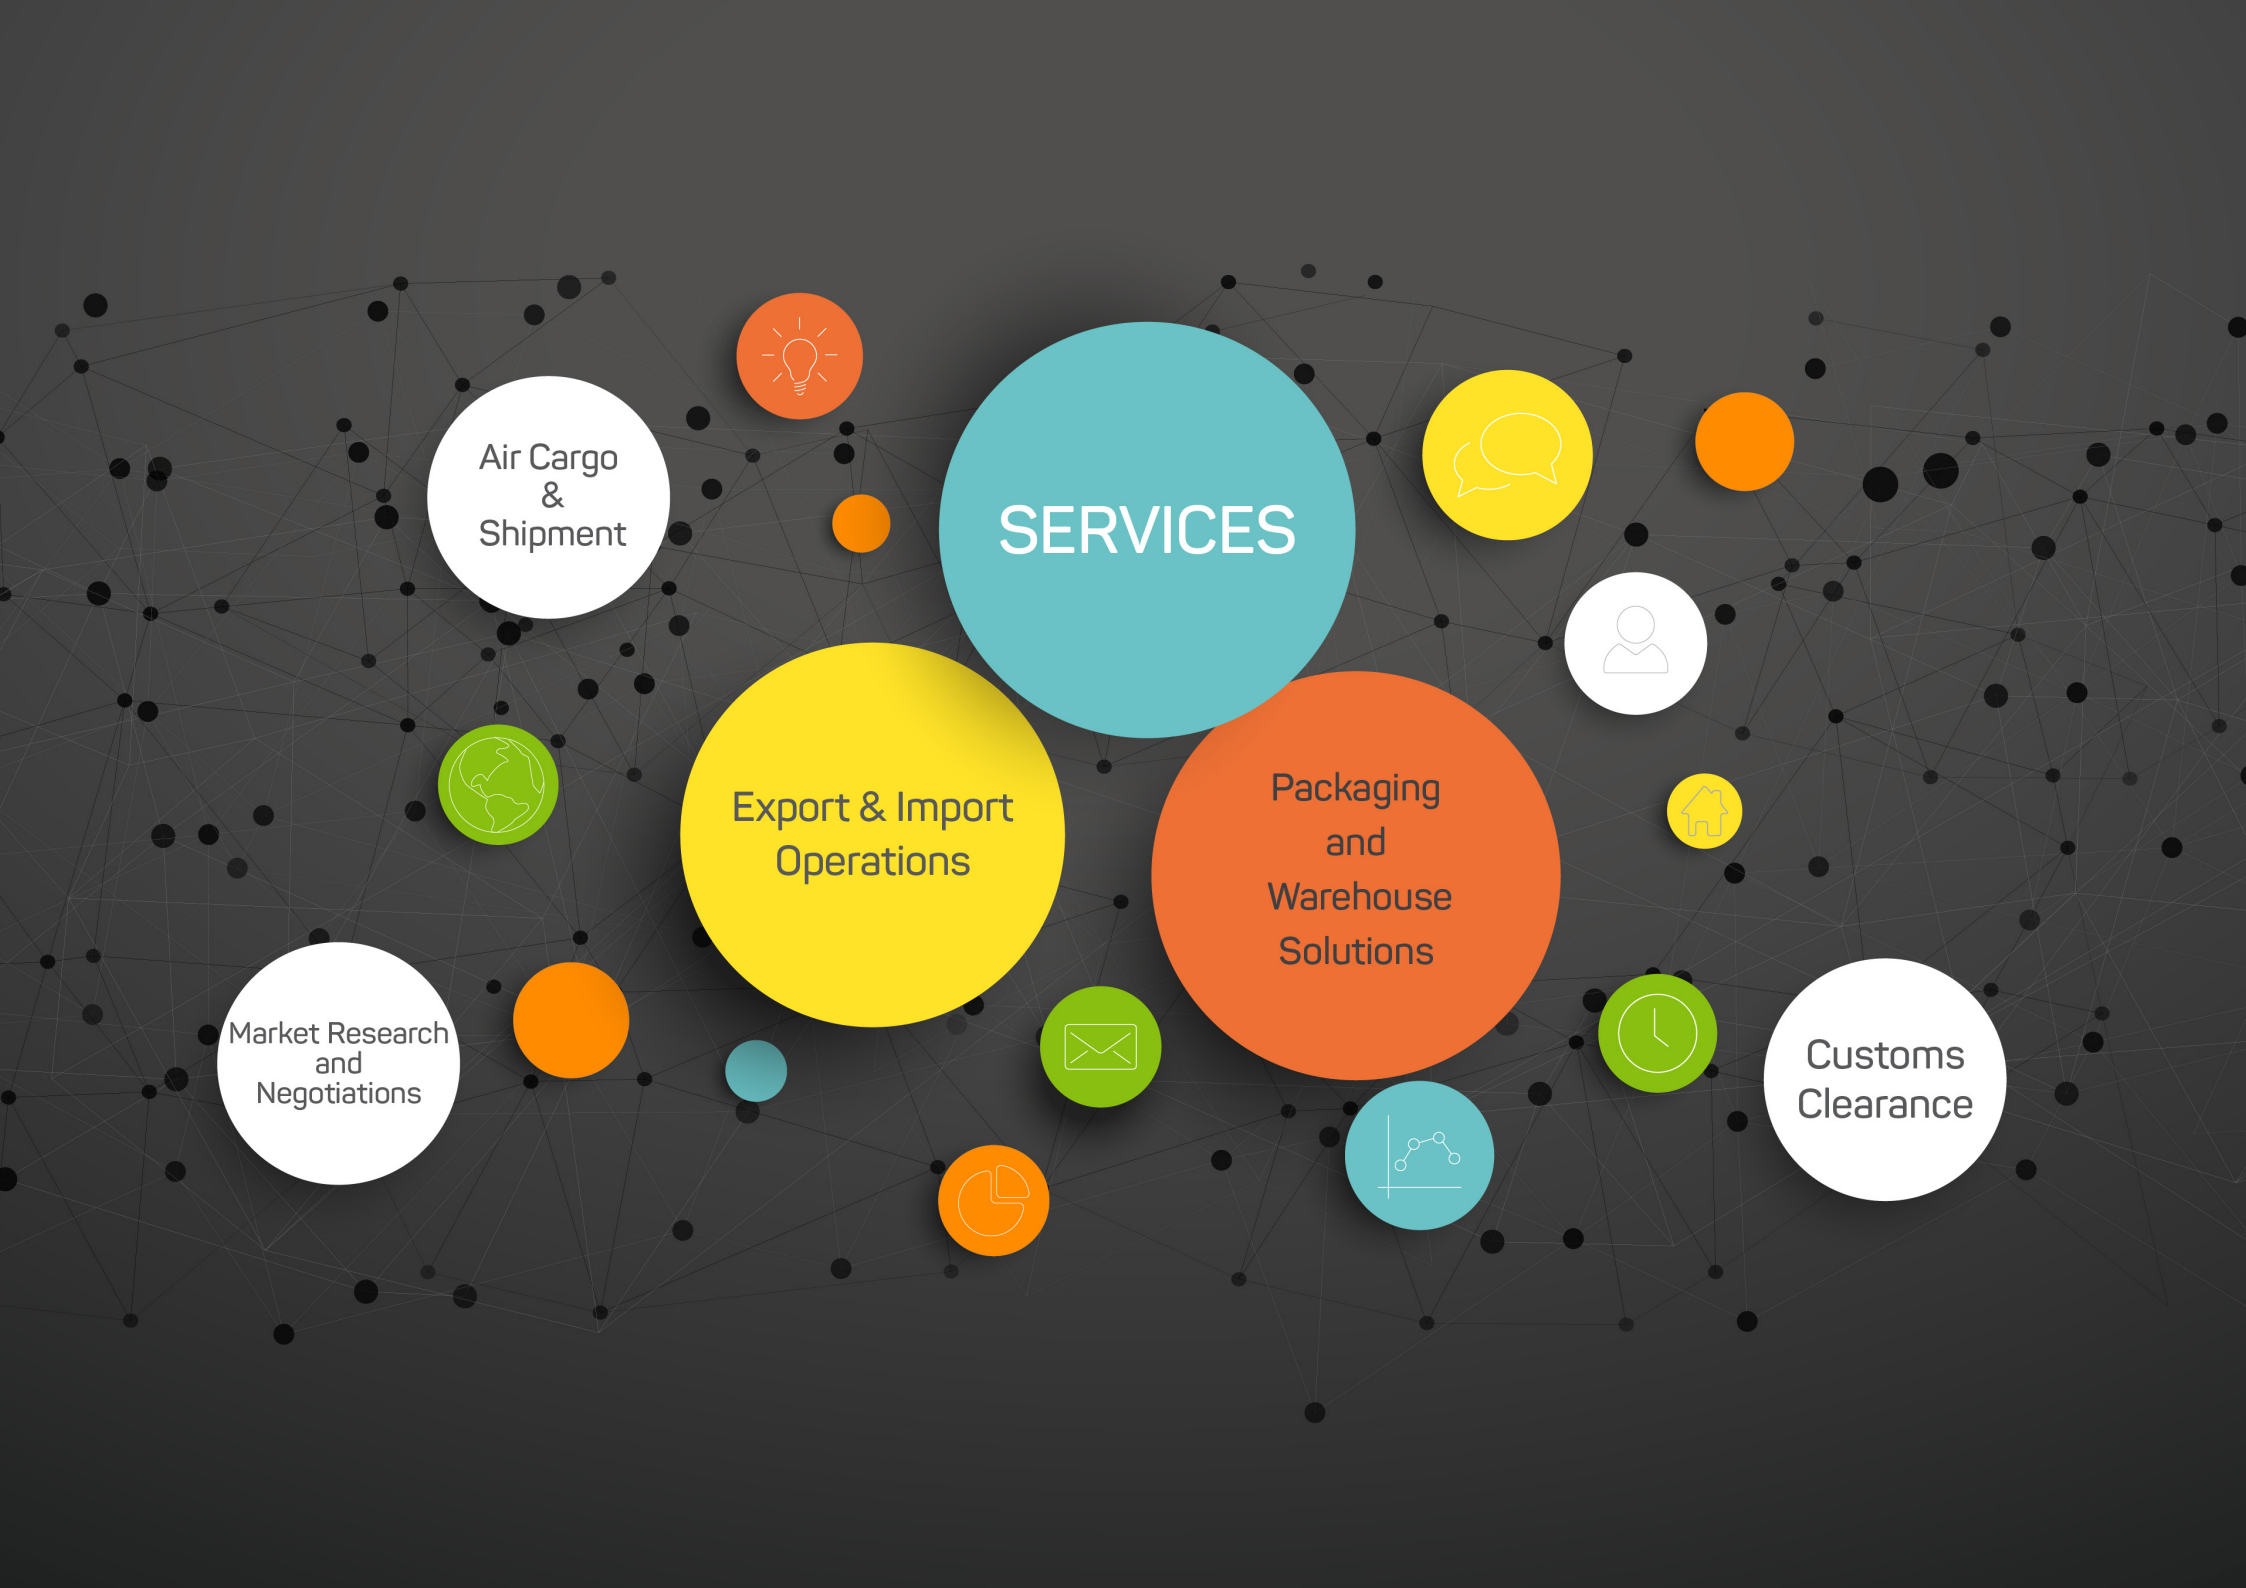

WHO WE ARE

Made in Turkey is home to some truly **dynamic and resourceful people** who have come together from a variety of fields and backgrounds, to **create an all-inclusive, full-service company** for clients at home and abroad.

Entrepreneurs and organizations are fascinated with all that Turkey has to offer. Made in Turkey is an **ambitious project** recently launched by a group of **dreamers with a strong business plan** and **service-intensive attitude**.

Whether they are **small-medium business entrepreneurs**, or **multi-national corporations**, all parties and individuals interested in international trading are our prospective clients
